E-mail:

Forms of participation (Oral presentation, poster presentation, part-time participation)

Preferred Scientific Topic

Topics of conference

Plenary sessions (up to 30 minutes), oral (up to 20 minutes) and poster presentations on the priority directions and the most actual problems of inorganic chemistry and technology will be presented at the conference.

The topics of conference are:

1. Coordination chemistry and bioinorganic chemistry;
2. Solid state chemistry;
3. Physical inorganic and nanochemistry;
4. Modern energy-environmental technologies.

Conference languages – Ukrainian, Russian, English.

Abstracts included in the conference program will be published in the book of abstract.

The Organizing Committee will include no more than 2 reports from the author and reserves the right not to print the abstract submitted not under the pointed topics subject, drawn up in violation of the rules and received after deadline of submission and without a registration fee.

The registration fee is 70 EU. PhD students and young scientist (under the age of 35) pay 50% of the registration fee – 35 EU. Part-time participation (with providing of pdf-file of abstract book) – 15 EU. The detailed information about ways to pay the registration fee will be included in the Second Announcement.

The registration fee will be used for the preparation and printing of the program and a conference book of abstracts, the rent of premises and equipment, coffee breaks between sessions, acquaintance of the conference participants with the historical and architectural monuments of the city, post office expenses and other expenses for the organization of the conference.

IMPORTANT DATES

01.02.2018 – First Announcement;
01.02.2018 – 30.04.2018 – registration of participants (for registration send registration form and abstract by e-mail of Organizing Committee **ucic2018dnipro@gmail.com**);
16.04.2018 – Second Announcement;
01.06.2018 – Deadline for registration fee payment;
15.06.2018 – placing of conference program on the website

Venue

The conference will be held in Ukrainian State University of Chemical Technology. For the conference participants accommodation at the hotels of Dnipro close to the conference venue will be offered. Students, PhD students and young scientists will be given accommodation possibilities in dormitories (there are a limited number of places available). The detailed information about accommodation for conference participants will be included in the Second Announcement.

Social Program

Social Program provides city sightseeing tour, excursions to the history museum of the Ukrainian State University of Chemical Technology, informal communication (buffet, etc.).
